Judgement for sale

Selling Court **Awarded** Judgments

Limited Time Offer @ 2015 -2016

"UNVEILS INDUSTRY'S FIRST JUDGMENT EQUITY FUND" [A Portfolio of UAE Judgments for Sale!]

A Portfolio of UAE's Landmark Judgments was involved in the determination of Rights and the assignment of Rewards and Punishments.

The **Judgment Debtor** was none other than the Ruler of Abu Dhabi and the President of the UAE. The Debtor's responsibility to execute the Judgments will continue until its execution. His responsibility to do so will pass on to his successor-in-office. Specific rules are in existence on this point. In the instant case, the 'Defaulter-Judgment Debtor(s)' can be legally proceeded against. The Judgment Creditor is entitled to Mortgage his Judgment; the debtor's assets could be seized and sold to satisfy the debt. The Judgment Creditor is also legally eligible to transfer his Judgment, part or whole.

The Defaulter-Judgment Debtor was a 'Fraudster'!

The term "Fraud" has been clearly studied, analyzed and criticized by the highest Judiciary of India. The Supreme Court reiterated that 'fraud vitiates all' and also the age old saying 'Fraud avoids all judicial acts ecclesiastical or temporal'. Fraud is an act of deliberate deception with a design to secure something, which is otherwise not due. The expression "fraud" involves two elements, deceit and injury to the person deceived. It is a cheating intended to get an advantage.

"Decree Holders Entitled to Enjoy Fruits of the Decree Expeditiously" - Says Supreme Court of India !

The A 3 Judge Bench of the Supreme Court of India has observed recently that Decree Holders must enjoy the fruits of the decree obtained by them in an expeditious manner. The Bench, speaking through Justice Dave, has noted the unscrupulous tactics used by Judgment Debtors to evade the process of law and eventually frustrate the entire efforts of a Decree Holder in getting the decree executed.

"Support the "Judgment Creditor" to strengthen the Integrity of the Judiciary and people's confidence in our Justice System".

Funds are proposed to be raised by distribution of shares. One can invest a sum as small as USD\$ 350.00 or equivalent in the 'Portfolio of UAE Judgments' now on sale. The UAE Judgments, against the **'Abu Dhabi Executive Branch'**, have been guaranteed three times more value of their investment.
